**RE: Kamal Flowers**

Dear Attorney General Rocah,

I am writing to request that you unseal the grand jury records regarding Kamal Flowers.

I represent the Flowers family in their pursuit for justice related to the killing of their loved one by a New Rochelle Police Department officer.

On June 5, 2020, Kamal Flowers was fatally shot by Officer Alec McKenna during a traffic stop in which Kamal was a passenger. A grand jury has since decided against indicting the officer.

This news has left the Flowers family in complete shock with many unanswered questions and empty promises of justice.

Last month, New York State Attorney General Leticia James announced that her motion to unseal and publicly release the grand jury minutes related to the investigation of Daniel Prude's death was granted. Prude, a Rochester resident, was also killed by a police officer.

With "transparency, accountability, and conviction integrity" being of great importance to you, the Flowers family and the community are relying on you to help them understand why the grand jury decided against indictment.

If you have any questions or require information, I can be reached via email at [rstpaul@thestpaulfirm.com](mailto:rstpaul@thestpaulfirm.com) or via phone at 914-517-7568.

The Flowers family and I are also available to meet with you at your earliest convenience.

I look forward to your response.

Sincerely,

Richard St. Paul, Esq.
